Knitted Laundered Gloves

Knitted white polyester gloves

Knitted Polyester Gloves are laundered in a controlled environment for automotive paint spray booth and sealer line processes. Gloves are full-fingered 100% knitted polyester. The construction of the silicone-free glove allows the wearer to maintain tactile sensitivity and dexterity. Features an elasticized wristband for a secure fit. Gloves are color-coded by size for easy identification and can be relaundered as needed. Available in both 2” and 6” cuff lengths.

Product Information	Benefits	
Material	100% polyester	
Construction	Lightweight knit	
Silicone content	None	
Attributes (units)	**Typical Value***	**Test Method**
Particles, readily releasable P ≥ 3.0µm ($x10^6/m^2$)	0.191	CTM006-01
Fibers > 100µm ($x10^3$/glove)	0.023	CTM006-01
